EXECUTIVE SUMMARY

Highly motivated **Full-Stack Developer** with **more than 1 year of experience** building scalable web applications. Proficient in the modern **TypeScript ecosystem (React.js, Next.js, NestJS, Drizzle ORM)** and **Java**. Experienced in designing and developing secure **RESTful APIs**, building responsive user interfaces, integrating databases, and delivering end-to-end applications with clean, maintainable code.

SOFTWARE SKILLS

Programming Languages: Java, JavaScript, TypeScript

Frontend: React.js, Vite, HTML5, CSS3, Tailwind CSS, Radix UI

Backend & Databases: NestJS, REST APIs, Drizzle ORM, TypeORM, MySQL, SQL Server

Tools & Platforms: Git, GitHub, npm, Cursor, Beekeeper Studio, pgAdmin, Firebase

EXPERIENCE

Itech India Private Limited | Associate Software Developer | Aug-2025 - Present

- Developed and maintained full-stack web applications using modern frontend and backend technologies.
- Integrated secure social logins (Google, Microsoft) and government-backed verification services (Aadhaar via DigiLocker gateways) to streamline user onboarding.
- Collaborated with cross-functional teams to manage and optimize relational databases using Linux-based tools and AWS cloud services.

Workcohol | Full-Stack Developer Intern | April-2025 - July-2025

- Engineered a real-time Pet Accessories E-commerce full-stack platform using React.JS, HTML, CSS, JavaScript, and Firebase
- Implemented a highly responsive, user-friendly UI featuring customizable themes, reducing friction in the user checkout funnel

TECHNICAL PROJECTS

Full-Stack E-Commerce Platform | React, TypeScript, NestJS, Drizzle ORM, MySQL, JWT, Tailwind CSS

- **Live Demo:** <https://e-commerce-maha100104.vercel.app/login>
- Implemented JWT authentication with access/refresh tokens and role-based access control.
- Built an Admin Dashboard with user search, filtering, and product inventory management.
- Deployed the frontend on Vercel and backend on Render with a Railway MySQL database, using Axios interceptors for automatic token refresh and CORS handling.

TaskFlow – Todo | React.js, Vite, TypeScript, NestJS, Drizzle ORM, MySQL, JWT, Tailwind CSS

- **Live Demo:** <https://todo-maha100104.vercel.app/>
- Built a full-stack Todo application with JWT authentication, role-based access control, and profile management using React, NestJS, Drizzle ORM, and MySQL.
- Implemented RESTful CRUD APIs with search, filtering, priorities, categories, due dates, task status, and soft delete.
- Developed a responsive dashboard with task analytics, progress tracking, dark/light mode, and deployed the application on Vercel and Render.

AiPod (Dental Application) | React.JS, Nest.JS, Type ORM

- Built a dental app that allows patients to securely upload photos and X-rays of their teeth from multiple angles for doctor review.
- Created a feature that automatically generates initial diagnosis and treatment plans based on the uploaded images, saving time for both patients and doctors.

Leo Muthu Scholarship (LMS) Portal | React.js, Nest.JS, Drizzle ORM

- Developed a full-stack scholarship portal where students can apply online and college staff can verify details before approving and releasing funds.
- Built a secure login system using Aadhaar and mobile OTPs, giving students a personal dashboard to track their application status in real time.

Aram Foundation Donation App | React.js, Nest.JS, Drizzle ORM

- Created a secure, user-friendly donation platform that makes it easy for users to contribute funds to the foundation online.
- Built a custom admin dashboard that lets foundation staff easily hide, show, or manage specific input fields on the app without needing to write code.

IQAC Event Scheduling System | React.js, Vite, Nest.JS, Drizzle ORM

- Designed a centralized college management platform to easily schedule exams and notify the right students and staff about upcoming events.
- Wrote custom backend logic to automatically prevent scheduling conflicts, ensuring that exams and college events never overlap on the calendar.

EDUCATION

Sri Sairam Engineering College

B.Tech Information Technology

May 2025

CGPA: 8.29/10.0

AWARDS AND CERTIFICATIONS

- Strategic Excellence Award – Sri Sairam Engineering College
- Best Project Award (2024) – Institute of Engineers (India), Hosur Local Center
- Diploma in Computer Application (DCA) – Guru Computers (Scored 89/100)
